## BIKE FLEET COORDINATOR (M/F/D)

We are looking for a Bike Fleet Coordinator who will play an essential role in delivering YT's stated goal to become the biggest mountain bike brand in the world. Reporting directly to the Marketing Manager, the Bike Fleet Coordinator is responsible for the marketing bike fleet and will be part of an amazing global team.

The main deliverable for the Bike Fleet Coordinator is to coordinate the European YT bike fleet for customers attending our Rolling Circus traveling bike demo events, for the most influential mountainbike media, and for our world class athletes. Additional to this, the role will support other areas such as our Mills and our team in the UK with their bike fleet orders. The Bike Fleet Coordinator knows all the parts of a mountainbike, ensures we have spare parts, and makes sure the fleet is always in the best possible shape. The bike fleet coordinator is responsible for every step in the marketing bike lifecycle, from ordering the complete bikes, picking the parts for photo bikes, coordinating the fleet's on-going maintenance with the workshop to ensure our customers can ride them in top condition, and finally handing them over into our YT Garage program for sales to end customers. Additional to this, the bike fleet coordinator will travel with the Rolling Circus to amazing places to deliver #GOODTIMES to our customers. Want to work all day with the best bikes in the world? Do we have a job for you!

### YOUR MISSION

- Place all bike orders for use with PR, Rolling Circus, Mills and YT Athletes
- Ensure the marketing dept remains in stock on key parts & components needed for the marketing fleet
- Coordination of the marketing bike fleet during the season
- Coordination with the workshop to build up and maintain the bikes
- Responsible for the coordination of marketing orders between marketing and purchase
- Planning of the European marketing bike fleet for upcoming years
- Responsible for spare parts allocated to the marketing team
- Responsible for the marketing team's warehouse
- Supporting other departments with their bike fleet orders
- Handling of the order picking for our bikes to be photographed
- On-site support on events to represent the brand YT
- Support the studio photography for the YT bikes and products

### WHAT YOU BRING IN

- In-depth knowledge of everything related to MTB, MTB specific components, technologies and development trends
- Basic Mechanical skills like making bikes tubeless, aligning drivetrains & brakes, suspension configurations
- 3 years of industry experience and service and customer oriented
- Skills for MS Office, especially Excel and bonus points for experience in SAP BusinessOne
- Fluent in German and English
- Outstanding communication and organization skills and a sense of responsibility
- High flexibility and willing to travel, to support the Rolling Circus on the weekend

### WE ARE YT
