- You analyse, design and optimize SCM processes and create the corresponding documentation and work instructions
- You are responsible for the planning and execution of the annual stocktake
- You collaborate in interdepartmental projects and represent the operations area with your expertise

WHAT YOU BRING IN

- Successfully completed commercial training or studies, ideally in the field of SCM or logistics
- At least 3 years of professional experience in the field of warehousing/logistics
- Experience in the analysis and optimization of business processes, ideally supplemented by further training in Lean Management or Six Sigma
- Self-initiative as well as a confident appearance, negotiation skills and the ability to work in a team round off your soft skills
- Very good knowledge of MS-Office and SAP (preferably Business One)
- Good command of English

WHAT WE OFFER

- An open minded family culture
- Training possibilities in the company's own gym
- A cool team, with a free coffee flat rate
- After-work rides with your YT family and legendary company parties
- With the Franconian Switzerland one of the most beautiful bike regions, directly in front of the door

WE ARE YT

YT Industries was founded by Markus Flossmann in 2008 to give talented riders access to competitive dirt jump bikes. YT stands for Young Talent and reflects its founder's approach to life: No matter the age, it is never too late to explore your hidden talent or passion and to try something new.
It is never too late to LIVE UNCAGED.

To this day, YT focuses on mountain biking and offers a wide range of products from downhill and enduro to trail bikes as a direct-to-consumer brand. YT bikes are distinguished by their high quality for an exceptional price. Be it Red Bull Rampage, Downhill World Championships, or World Cups, YT bikes have dominated at the most challenging events and carried world-class athletes to major titles.
